

What We Do

Since 2011, BICSA publishes the following book series:

- Studies in Antisemitism
- Middle East Studies
- Studies in right-wing extremism and the New Right

Since 2016, BICSA is host of the Robert S. Wistrich, z"l, Memorial Lecture. It will be held every year on May 19, the date Robert Solomon Wistrich died in Rome in 2015.

In addition, we publish working papers and have a blog with up-to-date pieces.

BICSA is an independent organization and depends on your contributions.
